

The empty bottle will stick around for about  
**1000 years** after you are done with it.

It will outlast your children,  
and their children, and their children,  
and their children, and their children, and their children,  
and their children, and their children, and their children, and their children,  
and their children, and their children, and their children.

CATHOLIC  
SISTERS WEEK

DOMINICAN SISTERS  
OF SPRINGFIELD, ILLINOIS

*Celebrating 150 Years For the Life of the World*
