

Holy Mystery,
unfolding for the life of the world,
we join in prayer with the
Dominican Sisters of Springfield
as they gather for General Chapter.

With hopeful minds and hearts
and deep awareness of our
interconnectedness with all
creation, we journey with them
as they cross the threshold
of the unknown
carrying the wisdom
of the past 150 years.

Listening to the voices of the world,
may they contemplate
the living of the Gospel
as they reimagine the future.
