

Questions for personal reflection or group discussion

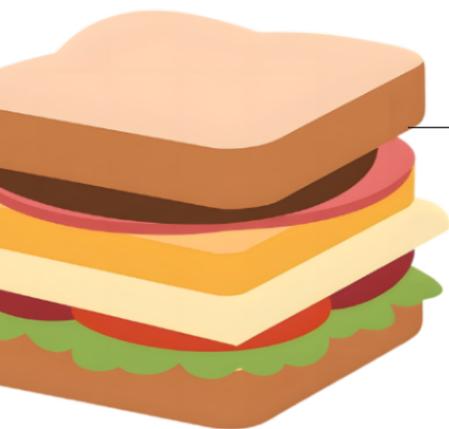

Session One: Human Dignity

Discussion questions:

What helps or hinders you from recognizing the inherent worth and value of other persons?

How might you infuse this value into your personal and civic interactions?

Session Two: Acting Justly Toward Earth

Discussion questions:

What might I do to learn more about our planetary home?

What might I do to deepen my relationship with the whole of creation?

What might I do to act justly toward the Earth community?

Session Three: The Ethical Use and Development of Artificial Intelligence

Discussion questions:

What did you learn from this presentation about Artificial Intelligence that you will share with others?

What is one step you can take to become more familiar with the impact of Artificial Intelligence in your own field, profession, or area of interest?
